6. APPLICATIONS AND VERIFICATION

Applications can be made via the application form on the following website: <https://drift-stars.si/>

Fully completed entries, validated by NTL and signed by the driver, must be submitted to the entry desk in Classroom 1 of the **Blagomix poligona v soboto 23.5 od 7:00 do 9:00**

In the event of a delay in the verification, the driver or competitor may no longer enter the race except by decision of the Jury. Participants must report in person for the verification.

The reason for cancellation is force majeure (illness, vehicle), which must be documented. The Jury will take action in accordance with the regulations on the organiser's proposal.

7. TECHNICAL INSPECTIONS

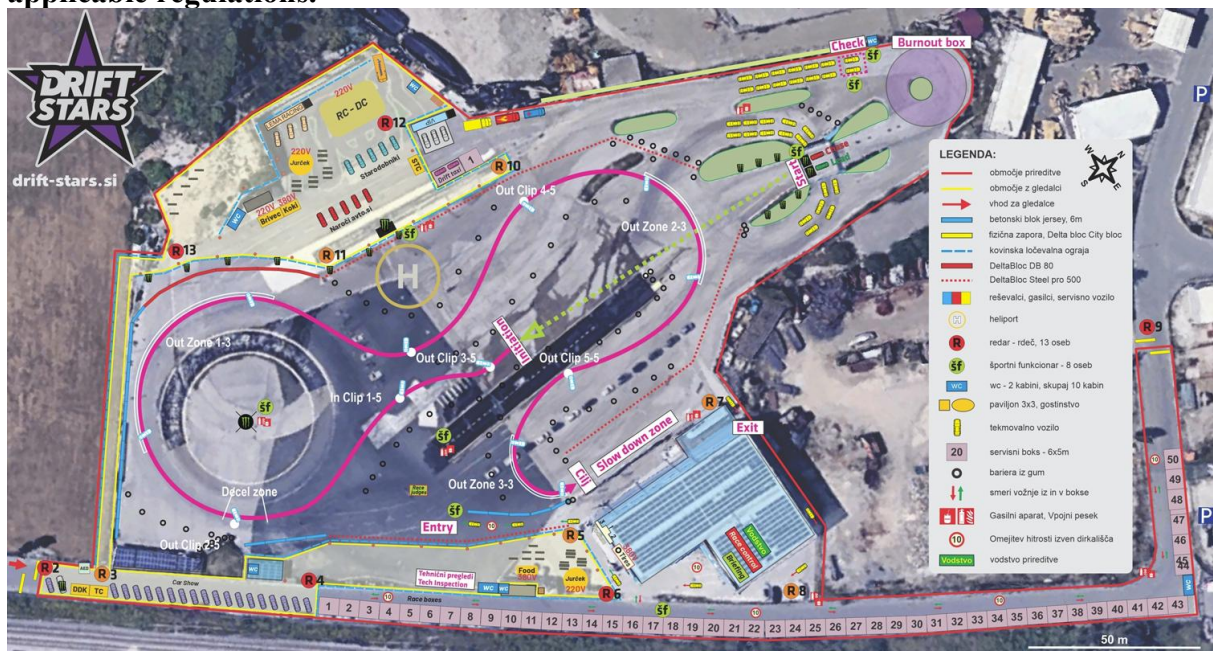

The technical inspection of the vehicles will take place on Saturday 23 May 2026 from 07:15 to 10:30.

The technical inspection of each vehicle will be carried out at the location specified in the course layout at the time specified by the competitor/vehicle. The vehicle must be brought to the technical inspection location at the scheduled time for the specified start number.

The list and timetable will be published in the Bulletin/Communication no later than Friday 22.5.2026 together with the Driver Briefing.

In case of delay, the driver can no longer complete the T.P. except by decision of the Jury

The technical inspection carried out did not confirm that the vehicle complies with applicable regulations.

8. TRAINING

Is performed according to: Competition rules for the 2026 National Drift Championship

The Race Director periodically inspects the course during free practice with the race management vehicle.

9. QUALIFICATIONS AND DOUBLE ELIMINATION BATTLES

Are performed according to Competition rules for the 2026 National Drift Championship

9.1. If the protest is upheld, the result may be changed, or the individual elimination match of the pairs may be repeated (OMT), and the protest fee will also be refunded to the driver.

10. BOX

If a BUS or TRUCK is entered as a service vehicle, this will be checked on the arrival of the driver. If a smaller vehicle arrives on the day of the race, the organiser will assign a smaller box to the driver regardless of the previous schedule

Only one service vehicle may be parked in the pits next to the competing vehicle, and the support vehicle must be parked outside the pits in a place designated by the organiser.

Each participant is obliged to respect the instructions of the pitmaster and to take the place he/she designates.

A waterproof protective tarpaulin is mandatory under parked vehicles in the pit.

In the boxes, a firefighter or fire extinguisher must be on board each time the vehicle is refuelled.

Due to the increase in the number of drivers, a "Quiet Hour" will be introduced from 22:00 to 06:00. Violations will be penalised with a warning, a fine or exclusion of the driver from the race.

Three team members are accredited free of charge in each box

The driver may have more than one accredited team in the pit lane and they must be identified with paid accreditation. The driver is responsible for all accredited team members.

After the event, the driver must leave the pit clean, all trash EXCEPT CAR PARTS can be placed in one place where the organizer can pick it up.

11. DISCIPLINE ON THE COMPETITION AREA

All offences and riots committed by mechanics and drivers' attendants shall be the responsibility of the driver and shall be punished.

Walking speed (5 km per hour) is allowed in the pits and on the access road to and from the track.

Testing vehicles on these premises is strictly prohibited.

Access to the race management is only granted to the driver with the consent of the race director or the president of the organizing committee

The psychophysical abilities of drivers and employees will be tested at the race with an A-tested breathalyzer. The head of the security service is responsible and trained for these tests.

The tolerance for measurement is zero and anyone who tests positive will be removed from the races (disqualification) or from their job.

12. PROTESTS AND APPEALS

The lodging of protests and the deadlines respected are in accordance with the rules of the AOS SLO.

Protests against results and placings shall be made in accordance with the Competition rules for the 2026 National Drift Championship

13. AWARDS

The presentation of trophies and awards will take place immediately after the announcement of the unofficial results.

The organizer will award:

- SLO Open National Championship trophies to the first three drivers in Division 1 and 2

14. GENERAL PROVISIONS

The organizer reserves the right to interpret these regulations. It reserves the right to make changes or amendments in the form of bulletins, with which it will inform the NTL and the associations in a timely manner, or they will be published on the day of the event on the official notice board in the INFO area.

By signing the entry form for the race, each driver has acknowledged that he/she is aware of, agrees to and will fully comply with these additional rules.
